**Order Denying Motion to Vacate Order  
and Judgment**

[ECF No. 6]

10 I previously dismissed this habeas corpus action because petitioner Frederick  
11 Banks did not pay the filing fee or file a completed and proper application to  
12 proceed *in forma pauperis*, and because his petition on behalf of “Jason Aldean,  
13 country music star and 22,000 concert attendees at Mandalay Bay, [the] Estate of  
14 Stephen Paddock, and Mary Lou Danely by and through Hamilton Brown, LLP” to  
15 compel the disclosure of FISA electronic surveillance<sup>1</sup> was obviously meritless.<sup>2</sup> I  
16 also denied Banks a certificate of appealability, and judgment was entered  
17 accordingly.<sup>3</sup> Banks filed a notice of appeal<sup>4</sup> and now moves to vacate my previous  
18 order and judgment.<sup>5</sup> But he identifies no reason—and there is none—for me to  
19 reconsider my order or to grant him relief from the judgment.
